XXIII. And it is hereby enacted, that where any real estate shall be devised to any person without any words of limitation, such devise shall be construed to pass the fee simple, or other the whole estate or interest which the testator had power to dispose of by will in such real estate, unless a contrary intention shall appear by the will.

XXIV. And it is hereby enacted, that in any devise or bequest of real or personal estate the words "die without issue," or "die without leaving issue," or any other words which may import either a want or failure of issue of any person in his life time or at the time of his death, or an indefinite failure of his issue, shall be construed to mean a want or failure of issue in the life time or at the time of the death of such person, and not an indefinite failure of his issue, unless a contrary intention shall appear by the will, by reason of such person having a prior estate tail, or of a preceding gift being, without any implication arising from such words, a limitation of an estate tail to such person or issue, or otherwise; Provided, that this Act shall not extend to cases where such words as aforesaid import, if no issue described in a preceding gift shall be born, or if there shall be no issue who shall live to attain the age or otherwise answer the description required for obtaining a vested estate by a preceding gift to such issue.

FORT WILLIAM,
LEGISLATIVE DEPARTMENT,

THE 6TH AUGUST, 1838.

Resolution.—The Proprietors of the Bank of Bengal having by a Resolution passed at their General Meeting held on the 24th April, 1838, by a large majority expressed a wish that the Capital Stock of that Institution should be further increased beyond the sum of 75 Lakhs of Company's Rupees, at which it was fixed by Act XIX. of 1836, and the President of the Council of India in Council (acting in concurrence with the Right Honorable the Governor General) being of opinion that no sufficient reason exists for refusing the assent of the Government to the application made in consequence in behalf of the Proprietors, or for declining to take the steps necessary for effecting the desired increase of Capital in the manner applied for, has resolved to pass the following Act to give effect to the increase of Capital of the said Bank of Bengal, and to prescribe the form and conditions under which subscriptions thereto shall be taken.

The following Draft of a proposed Act is accordingly published for general information.

ACT No. — OF 1838.

I. It is hereby enacted, that Section III. of Act XIX. of 1836, together with any other provisions of that Act which prescribe or imply that the Capital Stock of the Bank of Bengal shall not exceed 75 Lakhs of Rupees, shall from this day be repealed.

II. And it is hereby enacted, that it shall be lawful for the Governor General of India in Council whenever he shall see fit from time to time by an Order to be notified in the *Calcutta Gazette*, to authorize the Capital Stock of the said Bank to be increased, and to make such order and direction for the meeting of subscriptions towards such increase of Capital as to him may seem fit, giving due notice to the Proprietors of the said Bank for the time being and allowing to them a period of not less than eighteen months to fill up such subscription.

III. And it is hereby enacted, that whenever such increase of Capital Stock of the Bank of Bengal shall be ordered by the Governor General of India in Council, the Proprietors entitled to share therein, shall not be debarred of the right to subscribe for the new Stock in the proportion of the shares they may be legally holding by reason of any limit to the quantity of Stock which a single Proprietor may hold that may be imposed by the Provisions of the Charter of the Bank, or by any Clause or Provision contained in Act No. XIX. of 1836.

IV. And it is hereby enacted, that it shall be lawful for the Governor General of India in Council, when he shall direct an increase to be made of the Capital Stock of the Bank of Bengal, to prescribe that the subscriptions shall be made upon each share respectively, in any given proportion to the amount of Stock represented by such share, and after subscription made at any time within the period of notice prescribed in Section II. of this Act, to permit the amount subscribed on account of any share or shares to be paid up and annexed to the Capital Stock of the Bank in such manner and at such dates as may be deemed most convenient and proper, and likewise to prescribe that the amount of new Capital that may not be subscribed for within the period of 18 months so specified, shall be sold by Auction by an Officer of the Bank for the benefit of the Proprietors of the Bank at large, on some early date, after the close of such period, any thing in the existing Charter of the said Bank to the contrary notwithstanding.

V. And it is hereby enacted, that it shall be lawful for the Governor General of India in Council at the time of ordering any increase of the Capital Stock of the Bank of Bengal to reserve the portion of such increase that may belong to Government by reason of its share of the Capital of the said Bank, and to fix any date within the period of 18 months above specified, as that before which it shall be finally declared whether the Government will take the share of new Stock to which it is so entitled or will refuse the same, and in case of refusal by Government to take its share of new Stock, such Stock shall not be sold on account of the Proprietors at large as above provided for Stock not subscribed for by other Proprietors, but the amount to which the Government may be so entitled shall not be raised, and if the Government shall determine to subscribe for the share of new Capital to which it is entitled, it shall be lawful for the Governor General of India in Council either to retain the same or to order the sale of such new Stock or any portion thereof on account of Government in such manner and at such times as to him may seem fit.

Ordered, that the said Draft be re-considered at the first Meeting of the Legislative Council of India, after the 18th day of September next.

By Order of the Honorable the President in Council,

(No. 1564.)
FORT WILLIAM,
JUDICIAL AND REVENUE DEPARTMENT,
THE 7TH AUGUST, 1888.

Resolution.—By the "Rules" passed by the Right Honorable the Governor General in Council on the 15th March 1883, and published in the *Calcutta Gazette* of the 23d idem, Commissioners of Revenue and Circuit were empowered, under certain circumstances, to grant to their Subordinates, without reference to Government, leave of absence for periods not exceeding a month in the year.

But in consequence of the re-establishment of the Office of Superintendent of Police, and the transfer, in almost all Districts, of the Criminal appeal duties, from the Commissioners of Circuit to the Sessions Judges, the subordination of most of the Officers previously subject to the Commissioners, has been divided, and the authority once exercised over Magistrates and Collectors, their Deputies and Assistants, by Commissioners alone, is now in their hands in the Revenue Department only—that belonging to the Criminal Department being held partly by Sessions Judges and partly by the Superintendent of Police.

As however the Orders of 15th March 1883 have never been rescinded, and the Superintendent of Police has not been empowered to grant leave, but merely to forward applications to Government, considerable

inconvenience has arisen, and it is obvious to the Deputy Governor that the Rules in question, require modification to suit the altered circumstances of the Service.

Accordingly His Honor has been pleased to modify the Rules of 15th March 1883, as follows:

1. All Officers hitherto subordinate to the Commissioners of Revenue and Circuit, requiring leave of absence for any term, on account of causes not urgent, will hereafter apply for leave to the Government through the Officers to whom they may be subordinate.

2. Officers subordinate at the same time to the Commissioners of Revenue and to the Superintendent of Police, will apply separately through both Functionaries, and await their respective directions.

According to the preceding rule, a Magistrate or Magistrate's Assistant, requiring leave of absence, will apply (the latter through the Magistrate) to the Superintendent of Police, who will forward the application to Government with such opinion as he may deem proper.

In like manner, a Collector or Collector's Deputy or Assistant, will apply to the Commissioner, who will forward the application with his opinion to the Board of Revenue, by whom it will be submitted to Government with such remarks as the Board may think fit to call for.

3. Officers holding the situations of Magistrate and Collector (united or separate) and their subordinates, will, in urgent cases, apply to the Commissioner of Revenue, who, in such cases,—the urgency being clearly set forth,—will grant leave of absence for a period not exceeding one month. Every such leave granted must be without delay reported to Government by the Commissioner, who will also, when the Officer to whom leave is granted is subordinate wholly or in part to the Superintendent of Police, give intimation of the circumstance to that Functionary.

Ordered, that the above Resolution be published in the *Calcutta Gazette*, for general information.

WEDNESDAY, AUGUST 15, 1838.

FORT WILLIAM,
LEGISLATIVE DEPARTMENT,
THE 15th AUGUST, 1838.

Resolution.—Read Statute 1 Victoria, Chapter 26.
Resolved, that it is expedient to extend the benefits of the above Statute to such individuals as are liable to the inconvenience of the English Law which it is the object of the Statute to remove, and who, if this Act were not passed, would be subjected to further inconvenience, where the same Will is intended to operate upon property which is partly in England and partly in India, the law as to the execution and construction of Will in the two Countries being now very dissimilar.

Resolved, that for this purpose the following Draft of a proposed Act be read in Council for the first time on the 15th August, 1838.

Act No. — of 1838.

I. It is hereby enacted, that the words and expressions hereinafter mentioned shall in this Act, except where the nature of the provision or the context of the Act shall exclude such construction, be interpreted as follows; (that is to say) the word "will" shall extend to a testament, and to a codicil, and to an appointment by will or by writing in the nature of a will in exercise of a power, and also to a disposition by will and testament or devise of the custody and tuition of any child by virtue of an Act passed in the twelfth year of the reign of King Charles the Second, intituled "An Act for taking away the Court of Wards and liveries, and tenures *in capite*" and by Knight's service and purveyance, and for settling a revenue upon His Majesty's liege thereof," or by virtue of an Act passed in the Parliament of Ireland in the fourteenth and fifteenth years of the reign of King Charles the Second, intituled "An Act for taking away the Court of Wards and liveries," and tenures *in capite* and by Knight's service, and to any other testamentary disposition, and the words "real estate" shall extend to messuages, lands, rents and hereditaments whether corporeal, incorporeal or personal, and to any undivided share thereof and to any estate right or interest (other than a chattel interest) therein, and the words "personal estate" shall extend to leasehold estates and other chattels real, and also to monies, shares of Government and other funds, securities for money (not being real estates), debts, choses in action, rights, credits, goods, and all other property whatsoever which by law devolves upon the executor or administrator, and to any share or interest therein; and every word importing the singular number only shall extend and be applied to several persons or things as well as one person or thing, and every word importing the masculine gender only shall extend and be applied to a female as well as a male.

II. And it is hereby enacted, that an Act passed in the Thirty-second year of the Reign of King Henry the Eighth, intituled "The Act of Wills, Wards and primer seizes, whereby a man may devise two parts

of his land;" and also an Act passed in the Thirty-fourth and Thirty-fifth years of the Reign of the said King Henry the Eighth, intituled "The Bill concerning the explanation of Wills," and also an Act passed in the Parliament of Ireland in the Tenth year of the Reign of King Charles the First, intituled "An Act how Lands, Tenements, &c. may be disposed by will or otherwise, and concerning wards and primer seizes;" and also so much of an Act passed in the Twenty-ninth year of the Reign of King Charles the Second, intituled "An Act for prevention of Frauds and Perjuries;" and of an Act passed in the Parliament of Ireland in the Seventh year of the Reign of King William the Third, intituled "An Act for prevention of Frauds and Perjuries as relates to devises or bequests of lands or tenements, or to the revocation or alteration of any devise in writing of any lands, tenements or hereditaments, or any clause thereof, or to the devise of any estate *pur autre vie*, or to any such estate being assets or to nuncupative wills, or to the repeal altering or changing of any will in writing concerning any goods or chattels or personal estate, or any clause, devise or bequest therein;" and also so much of an Act passed in the fourth and fifth years of the reign of Queen Anne, intituled "An Act for the amendment of the Law and the better advancement of Justice;" and of an Act passed in the Parliament of Ireland in the sixth year of the reign of Queen Anne, intituled "An Act for the amendment of the Law and the better advancement of justice" as relates to witnesses to nuncupative wills; and so far as the following Acts may be construed to have any operation within the territories of the East India Company, so much of an Act passed in the fourteenth year of the reign of King George the Second, intituled "An Act to amend the Law concerning common recoveries," and to explain and amend an Act made in the twenty-ninth year of the reign of King Charles the Second, intituled "An Act for prevention of frauds and perjuries" as relates to estates *pur autre vie*; and also an Act passed in the twenty-fifth year of the reign of King George the Second, intituled "An Act for avoiding and putting an end to certain doubts and questions relating to the attestation of wills and codicils concerning real estates in that part of Great Britain called England, and in His Majesty's colonies and plantations in America," except so far as relates to His Majesty's colonies and plantations in America, and also an Act passed in the Parliament of Ireland in the same twenty-fifth year of the reign of King George the Second, intituled "An Act for the avoiding and putting an end to certain doubts and questions relating to the attestations of wills and codicils concerning real estates;" shall from the passing of this Act cease to have effect in the territories of the East India Company, except so far as the same Acts or any of them respectively relate to any wills or estates *pur autre vie* to which this Act does not extend.

III. And it is hereby enacted, that this Act shall only extend to the wills of persons whose personal property cannot by the Law of England pass to their

representatives without Probate or Letters of Administration obtained in one of Her Majesty's Supreme Courts of Judicature, and that the Statutes and parts of Statutes aforesaid are only repealed as far as they relate to the succession to the property of such persons.

IV. And it is hereby enacted, that it shall be lawful for every person to devise, bequeath or dispose of by his will executed in manner hereinafter required, all real estate and all personal estate which he shall be entitled to, either at law or in Equity, at the time of his death, and which, if not so devised, bequeathed or disposed of, would devolve upon his heir at law, or, if he become entitled by descent, of his ancestor, or upon his executor or administrator, and that the power hereby given shall extend to all estates *par autre vie*, whether there shall or shall not be any special occupant thereof, and whether the same shall be a corporeal or an incorporeal hereditament, and also to all contingent, executory or other future interests in any real or personal estate, whether the testator may or may not be ascertained as the person or one of the persons in whom the same respectively may become vested, and whether he may be entitled thereto under the instrument by which the same respectively were created; or under any disposition thereof by deed or will; and also to all rights of entry for conditions broken, and other rights of entry, and also to such of the same estates, interests, and rights respectively, and other real and personal estates as the testator may be entitled to at the time of his death, notwithstanding that he may become entitled to the same subsequently to the execution of his will.

V. And it is hereby enacted, that no will made by any person under the age of twenty-one years shall be valid.

VI. Provided also, and it is hereby enacted, that no will made by any married woman shall be valid, except such a will as might have been made by a married woman before the passing of this Act.

VII. And it is hereby enacted, that no will shall be valid unless it shall be in writing and executed in manner hereinafter mentioned; (that is to say) it shall be signed at the foot or end thereof by the testator or by some other person in his presence and by his direction, and such signature shall be made or acknowledged by the testator in the presence of two or more witnesses present at the same time, and such witnesses shall subscribe the will in the presence of the testator, but no form of attestation shall be necessary.

VIII. And it is hereby enacted, that no appointment made by will in exercise of any power, shall be valid, unless the same be executed in manner herein before required; and every will executed in manner hereinbefore required shall, so far as respects the execution and attestation thereof, be a valid execution of a power of appointment by will, notwithstanding that it shall have been expressly required that a will made in exercise of such power should be executed with some additional or other form of execution or solemnity.

IX. And it is hereby enacted, that every will executed in manner hereinbefore required shall be valid without any other publication thereof.

X. And it is hereby enacted, that if any person who shall attest the execution of a will, shall at the time of the execution thereof, or at any time afterwards, be incompetent to be admitted a witness to prove the execution thereof, such will shall not on that account be invalid.

XI. And it is hereby enacted, that if any person shall attest the execution of any will, in whom or to whose wife or husband any beneficial devise, legacy, estate, interest, gift or appointment of or affecting any real or personal estate (other than and except charges and directions for the payment of any debt or debts) shall be thereby given or made, such devise, legacy, estate, interest, gift or appointment, shall, so far only as concerns such person attesting the execution of such will, or the wife or husband of such person, or any person claiming under such person or wife or husband, be utterly null and void, and such person so attesting shall be admitted as a witness to prove the execution, or to prove the validity or invalidity thereof, notwithstanding such devise, legacy, estate, interest, gift or appointment mentioned in such will.

XIII. And it is hereby enacted, that no person shall, on account of his being an executor of a will, be incompetent to be admitted a witness to prove the execution of such will, or a witness to prove the validity or invalidity thereof.

XIV. And it is hereby enacted, that every will made by a man or woman shall be revoked by his or her marriage (except a will made in exercise of a power of appointment, when the real or personal estate thereby appointed would not in default of such appointment pass to his or her heir, executor or administrator, or the person entitled as his or her next of kin, under the Statute of Distributions).

And it is hereby enacted, that no will or codicil, or any part thereof shall be revoked otherwise than as aforesaid, or by another will or codicil executed in manner hereinbefore required, or by some writing declaring an intention to revoke the same, and executed in the manner in which a will is hereinbefore required to be executed, or by the burning, tearing or otherwise destroying the same by the testator or by some person in his presence and by his direction with the intention of revoking the same.

XVII. And it is hereby enacted, that no obliteration, interlineation or other alteration made in any will after the execution thereof, shall be valid or have any effect, except so far as the words or effect of the will before such alteration shall not be apparent, unless such alteration shall be executed in like manner as hereinbefore is required for the execution of the will; but the will, with such alteration as part thereof, shall be deemed to be duly executed, if the signature of the testator and the subscription of the witnesses be made in the margin or some other part of the will opposite or near to such alteration, or at the foot or end of or opposite or near to such alteration, or at the foot or end of or opposite to a memorandum referring to such alteration, and written at the end or some other part of the will.

XVIII. And it is hereby enacted, that no will or codicil, or any part thereof, which shall be in any manner revoked, shall be revived otherwise than by the re-execution thereof, or by a codicil executed in a manner hereinbefore required, and showing an intention to revive the same, and when any will or codicil which shall be partly revoked and afterwards wholly revoked, shall be revived, such revival shall not extend to so much thereof as shall have been revoked before the revocation of the whole thereof, unless an intention to the contrary be shown.

XIX. And it is hereby enacted, that no conveyance or other act made or done subsequently to the execution of a will of, or relating to any real or personal estate therein comprised, except an act by which such will shall be revoked as aforesaid shall prevent the operation of the will with respect to such estate or interest in such real or personal estate as the testator shall have power to dispose of by will at the time of his death.

XX. And it is hereby enacted, that every will shall be construed, with reference to the real estate and personal estate comprised in it, to speak and take effect as if it had been executed immediately before the death of the testator unless a contrary intention shall appear by the will.

XXI. And it is hereby enacted, that unless a contrary intention shall appear by the will such real estate or interest therein as shall be comprised or intended to be comprised in any devise in such will contained, which shall fail or be void by reason of the death of the devisee in the life time of the testator, or by reason of such devise being contrary to law, or otherwise incapable of taking effect shall be included in the residuary devise (if any) contained in such will.

XXII. And it is hereby enacted, that a general devise of the real estate of the testator, or of the real estate of the testator in any place or in the possession of any person mentioned in his will, or otherwise described in a general manner, shall be construed to include any real estate, or any real estate to which

such description shall extend (as the case may be) which he may have power to appoint in any manner he may think proper and shall operate as an execution of such power, unless a contrary intention shall appear by the will, and in like manner a bequest of the personal estate of the testator or any bequest of personal estate described in a general manner shall be construed to include any personal estate, or any personal estate to which such description shall extend (as the case may be) which he may have power to appoint in any manner he may think proper and shall operate as an execution of such power, unless a contrary intention shall appear by the will.

XXIII. And it is hereby enacted, that where any real estate shall be devised to any person without any words of limitation, such devise shall be construed to pass the fee simple, or other the whole estate or interest which the testator had power to dispose of by will in such real estate, unless a contrary intention shall appear by the will.

XXIV. And it is hereby enacted, that in any devise or bequest of real or personal estate the words "die without issue," or "die without leaving issue," or any other words which may import either a want or failure of issue of any person in his life time or at the time of his death, or an indefinite failure of his issue, shall be construed to mean a want or failure of issue in the life time or at the time of the death of such person, and not an indefinite failure of his issue, unless a contrary intention shall appear by the will, by reason of such person having a prior estate tail, or of a preceding gift being, without any implication arising from such words, a limitation of an estate tail to such person or issue, or otherwise; Provided, that this Act shall not extend to cases where such words as aforesaid import, if no issue described in a preceding gift shall be born, or if there shall be no issue who shall live to attain the age or otherwise answer the description required for obtaining a vested estate by a preceding gift to such issue.

XXV. And it is hereby enacted, that where any real estate shall be devised to any trustee or executor, such devise shall be construed to pass the fee simple or other the whole estate or interest which the testator had power to dispose of by will in such real estate, unless a definite term of years, absolute or determinable, or an estate of freehold, shall thereby be given him expressly or by implication.

XXVI. And it is hereby enacted, that where any real estate shall be devised to a trustee without any express limitation of the estate to be taken by such trustee, and the beneficial interest in such real estate, or in the surplus rents and profits thereof shall not be given to any person for life, or such beneficial interest shall be given to any person for life, but the purposes of the trust may continue beyond the life of such person, such devise shall be construed to vest in such trustee the fee simple, or other the whole legal estate which the testator had power to dispose of by will in such real estate and not an estate determinable when the purposes of the trust shall be satisfied.

XXVII. And it is hereby enacted, that where any person to whom any real estate shall be devised for an estate tail, or an estate in quasi entail, shall die in the life-time of the testator, leaving issue who would be inheritable under such entail, and any such issue shall be living at the time of the death of the testator, such devise shall not lapse, but shall take effect as if the death of such person had happened immediately after the death of the testator, unless a contrary intention shall appear by the will.

XXVIII. And it is hereby enacted, that where any person being a child or other issue of the testator to whom any real or personal estate shall be devised or bequeathed for any estate or interest not determinable at or before the death of such person, shall die in the life-time of the testator leaving issue, and any such issue of such person shall be living at the time of the death of the testator, such devise or bequest shall not lapse, but shall take effect as if the death of such person had happened immediately after the death of the testator, unless a contrary intention shall appear by the will.

XXIX. And it is hereby enacted, that this Act shall not extend to any will made before the 1st day of January, in the year of our Lord 1838, and that every will re-enacted or re-published or re-vivified by any other will for the purposes of this Act be deemed to have been made on the 1st day of January, in the year of our Lord 1838.

same shall be re-executed, re-published, or re-vivified; and that this Act shall not extend to any estate *par autre vie* of any person who shall die before the first day of January in the year of our Lord 1838.

FORT WILLIAM,
LEGISLATIVE DEPARTMENT,
THE 6TH AUGUST, 1838.

Resolution.—The Proprietors of the Bank of Bengal having by a Resolution passed at their General Meeting held on the 24th April, 1838, by a large majority expressed a wish that the Capital Stock of that Institution should be further increased beyond the sum of 75 Lakhs of Company's Rupees, at which it was fixed by Act XIX. of 1836, and the President of the Council of India in Council (acting in concurrence with the Right Honorable the Governor General) being of opinion that no sufficient reason exists for refusing the assent of the Government to the application made in consequence in behalf of the Proprietors, or for declining to take the steps necessary for effecting the desired increase of Capital in the manner applied for, has resolved to pass the following Act to give effect to the increase of Capital of the said Bank of Bengal, and to prescribe the terms and conditions under which subscriptions thereto shall be taken.

The following Draft of a proposed Act is accordingly published for general information.

Act No. — of 1838.

I. It is hereby enacted, that Section III. of Act XIX. of 1836, together with any other provisions of that Act which prescribe or imply that the Capital Stock of the Bank of Bengal shall not exceed 75 Lakhs of Rupees, shall from this day be repealed.

II. And it is hereby enacted, that it shall be lawful for the Governor General of India in Council whenever he shall see fit from time to time by an Order to be notified in the *Calcutta Gazette*, to authorize the Capital Stock of the said Bank to be increased, and to make such order and direction for the opening of subscriptions towards such increase of Capital as to him may seem fit, giving due notice to the Proprietors of the said Bank for the time being and allowing to them a period of not less than eighteen months to fill up such subscription.

III. And it is hereby enacted, that whenever such increase of Capital Stock of the Bank of Bengal shall be ordered by the Governor General of India in Council, the Proprietors entitled to share therein, shall not be debarred of the right to subscribe for the new Stock in the proportion of the shares they may be legally holding by reason of any limit to the quantity of Stock which a single Proprietor may hold that may be imposed by the Provisions of the Charter of the Bank, or by any Clause or Provision contained in Act No. XIX. of 1836.

IV. And it is hereby enacted, that it shall be lawful for the Governor General of India in Council, when he shall direct an increase to be made of the Capital Stock of the Bank of Bengal, to prescribe that the subscriptions shall be made upon each share respectively, in any given proportion to the amount of Stock represented by such share, and after subscription made at any time within the period of notice prescribed in Section II. of this Act, to permit the amount subscribed on account of any share or shares to be paid up and annexed to the Capital Stock of the Bank in such manner and at such dates as may be deemed most convenient and proper, and likewise to prescribe that the amount of new Capital that may be subscribed for within the period of 18 months so specified, shall be sold by Auction by an Officer of the Bank for the benefit of the Proprietors of the Bank at large, on some early date, after the close of such period, any thing in the existing Charter of the said Bank to the contrary notwithstanding.

V. And it is hereby enacted, that it shall be lawful for the Governor General of India in Council at the time of ordering any increase of the Capital Stock of the Bank of Bengal to reserve the portion of such increase that may belong to Government by reason of its share of the Capital of the said Bank, and to fix any date within the period of 18 months above specified, as that before which it shall be finally declared whether the Government will take the share of new Stock to which it is so entitled or will refuse the same, and in case of refusal by Government to take its share of new Stock, such Stock shall not be sold on account of the Proprietors at large as above provided for Stock not subscribed for by other Proprietors, but the amount to which the Government may be so entitled shall not be raised, and if the Government shall determine to subscribe for the share of new Capital to which it is entitled, it shall be lawful for the Governor General of India in Council either to retain the same or to order the sale of such new Stock or any portion thereof on account of Government in such manner and at such times as to him may seem fit.

Ordered, that the said Draft be re-considered at the first Meeting of the Legislative Council of India, after the 18th day of September next.

Offg. Secy. to the Govt. of India.

2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of the Indian Government, or Authorized Agents of the East India Company, an Advance not exceeding two-thirds of such ascertained value will be made.

3d.—For re-payment of the Advances, Bills of Exchange to be drawn in triplicate, at six months sight, at the rate of—

Per Company's Rupee for Advances made at.....	Bengal.
Ditto..... Ditto.....	Madras.
Ditto..... Ditto.....	Bombay.
Per Spanish Dollar, Ditto.....	China.

4th.—The Parties will be required to place the Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of Default being made either in acceptance, or payment of the Bills, the Court of Directors

to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose of re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, when any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

FORT WILLIAM,

FINANCIAL DEPARTMENT,

THE 10th JUNE, 1836.

Notice is hereby given, that under instructions just received from the Honorable Court of Directors, the following Terms and Conditions for making Advances upon the Goods and Merchandise of Individuals intended for Consignment to England re-payable to the Court of Directors of the East India Company, have been substituted for those contained in the Advertisement of this Department, dated the 27th October 1834.

1st.—The parties to whom Advances may be made shall agree that the respective Consignments be delivered into such Warehouses as the Court of Directors may approve: and that they be subject to the Control of the Court of Directors until the lien of the Company upon the Consignment shall have been satisfied.

2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of the Indian Governments, or Authorized Agents of the East India Company, an Advance not exceeding two-thirds of such ascertained value will be made.

3d.—For re-payment of the Advance, Bills of Exchange to be drawn in triplicate, at six months sight, at the rate of—

s. d.

Per Company's Rupee for Advances made at.....	Beagal.
Ditto..... Ditto.....	Madras.
Ditto..... Ditto.....	Bombay.
Per Spanish Dollar, Ditto.....	China.

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium, Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors

to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose of re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advances, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England.

9th.—It is expected that Parties or their Agents will cause the Goods to be insured from fire, such Insurance to take effect from the date of the termination of the Sea risk; as the East India Company will not undertake to effect any Insurance upon them.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payment of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expenses which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

By Order of the Hon'ble the Vice President in Council,

H. T. PRINSEP, Secy. to the Govt.

PORT WILLIAM,

FINANCIAL DEPARTMENT,

THE 15TH JUNE, 1838.

Notice is hereby given, that under instructions just received from the Honorable Court of Directors, the following Terms and Conditions for making Advances upon the Goods and Merchandise of Individuals intended for Consignment to England re-payable to the Court of Directors of the East India Company, have been substituted for those contained in the Advertisement of this Department, dated the 27th October 1834.

1st.—The parties to whom Advances may be made shall agree that the respective Consignments be delivered into such Warehouses as the Court of Directors may approve: and that they be subject to the Control of the Court of Directors until the lien of the Company upon the Consignment shall have been satisfied.

2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of the Indian Governments, or Authorized Agents of the East India Company, an Advance not exceeding two-thirds of such ascertained value will be made.

3d.—For re-payment of the Advance, Bills of Exchange to be drawn in triplicate, at six months sight, at the rate of—

a. d.

Per Company's Rupee for Advances made at.....	Bengal.
Ditto..... Ditto.....	Madras.
Ditto..... Ditto.....	Bombay.
Per Spanish Dollar, Ditto.....	China.

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium, Bills of Lading of the Consignments and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default in the re-payment of the Advance, or payment of the Bill, the Court of Directors

to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose of re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England.

9th.—It is expected that Parties or their Agents will cause the Goods to be insured from fire, such Insurance to take effect from the date of the termination of the Sea risk; as the East India Company will not undertake to effect any Insurance upon them.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whatsoever) at any period after default shall be made either in acceptance or payment of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expenses which the Company may have incurred in respect of the Goods, and appointing the Agent in England for such transaction.

PORT WILLIAM,
GENERAL DEPARTMENT, 26TH JUNE, 1832.

All Public Officers of Government sending Advertisements to the Calcutta Gazette for Publication, are hereby directed to make them as short as possible, and to specify always how many times the Advertisement shall be repeated.

By Order of the Honourable the Vice President in Council,

H. T. PRINSEP, Secy. to the Govt.

FORT WILLIAM,
FINANCIAL DEPARTMENT,
THE 15TH JUNE, 1836.

Notice is hereby given, that under instructions just received from the Honourable Court of Directors, the following Terms and Conditions for making Advances upon the Goods and Merchandise of Individuals intended for Consignment to England re-payable to the Court of Directors of the East India Company, have been substituted for those contained in the Advertisement of this Department, dated the 27th October 1834.

1st.—The parties to whom Advances may be made shall agree that the respective Consignments be delivered into such Warehouses as the Court of Directors may approve; and that they be subject to the Control of the Court of Directors until the lien of the Company upon the Consignment shall have been satisfied.

2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of the Indian Government, or Authorized Agents of the East India Company, an Advance not exceeding two-thirds of such ascertained value will be made.

3d.—For re-payment of the Advance, Bills of Exchange to be drawn in triplicate, at six months sight, at the rate of—

s. d.	Per Company's Rupee for Advances made at.....	Bengal.
	Ditto.....	Madras.
	Ditto.....	Bombay.
	Per Spanish Dollar, Ditto.....	China.

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium, Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors

to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose of re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficit may shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advances, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England.

9th.—It is expected that Parties or their Agents will cause the Goods to be insured from fire, such insurance to take effect from the date of the termination of the Sea risk; as the East India Company will not undertake to effect any Insurance upon them.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payment of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expenses which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.
